

The Single European Sky (SES) Performance Review Body (PRB) dashboard (http://www.eurocontrol.int/prudata/dashboard/eur_view_2016.html) uses Google Docs belonging to and publicly shared by [eusingleuropeansky](#) Google account to provide

- file download in Excel and Google Spreadsheet format
- graph visualizations

The dashboard HTML pages point to the above mentioned account files hosted on Google Docs. For reference and convenience, these files are also stored in the `data` folder.

The metadata and glossary pages pointed to in the dashboard website are hosted on the PRU mediawiki (http://prudata.webfactional.com/wiki/index.php/Main_Page) and have been converted to a PDF book `Metadata_and_Glossary.pdf` (https://github.com/ses-eu/website/Metadata_and_Glossary.pdf).
